Project Name	International Training Partner Scheme
Project URL	https://www.nauticalarchaeologysociety.org/Pages/Category/international-system
Project Description	We support organisations from around the world in teaching best practices in underwater cultural heritage through our International Training Partner Programme. These organisations have a licence to teach a local version of our accredited training programme which has a core module on UCH legislation including information about the 2001 Convention. There are currently 25 organisations in this programme and 7 of them are from countries that have ratified the 2001 Convention.
