| Project Description | Since the 1970s, the Institute of Nautical Archaeology has sponsored and/or directed many underwater excavations in North America and the Caribbean, including those at: Port Royal (Jamaica), Molasses Reef (Turks and Caicos), Rockley Bay (Tobago), Monte Cristi (Dominican Republic), Red River (Oklahoma), and Lake Champlain (Vermont). Since 1976, the INA headquarters have been located on the campus of Texas A&M University. Many INA officers are also faculty in the graduate Nautical Archaeology Program at Texas A&M. |
